The diagram illustrates the assembly of a curved structure from six numbered sheets. Sheet 1 is a rectangular piece at the top left. Sheet 2 is a small rectangular piece attached to the bottom of sheet 1. Sheet 3 is a long, narrow, curved piece attached to the bottom of sheet 2. Sheet 4 is a long, narrow, curved piece attached to the bottom of sheet 3. Sheet 5 is a long, narrow, curved piece attached to the bottom of sheet 4. Sheet 6 is a small rectangular piece at the bottom right, attached to the bottom of sheet 5. To the right of the assembly is a vertical line with a double-headed arrow pointing upwards and downwards, indicating a vertical reference or measurement.
